Sir:

SUBMISSION

A review of the above-identified application and the Response filed November 14, 2000, has brought to the attention of the undersigned the fact that page 1 of the Response filed November 14, 2000, seeks to cancel claims 1 to 24, without prejudice, while adding claims 24 to 55. As noted on page 18 of the Response, claims 1 to 23 should have been canceled as opposed to the stated claims 1 to 24. The application was filed with 23 claims. Accordingly, the new claims 24 to 55 should be pending. The undersigned regrets the error made on page 1 of the Response of November 14, 2000.

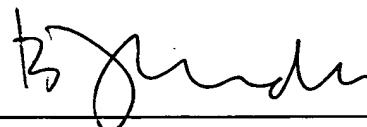

An early Action on the merits of claims 24 to 55 is requested.

MAERTENS et al.
Serial No. 09/638,693

Respectfully submitted,
